Confidential Report

This document contains watermarked content to demonstrate proper watermark implementation.

Important Information

- The watermark should appear behind this content
- It should be visible on all pages
- It should not be easily removable

Let's add more content to potentially create multiple pages:

Item	Description	Value
Item 1	First important item	$1,000
Item 2	Second important item	$2,500

Section 2

More content to demonstrate the watermark appears on all pages consistently.

The watermark should be subtle enough to not interfere with reading the document.
